## HSCIS Web Application User Guide

### Introduction:

Welcome to HSCIS on the web! This document provides a description of how to make use of the HSCIS secure data entry site (<https://healthnetbc.hlth.gov.bc.ca/>) for submission of Payroll Summary data; viewing our records of your organizational information; and for submission of Funding Sources data. The data requirements for this version of HSCIS have been simplified to make it easier and quicker for the users. However, there have been changes to the *timing* and *content* of submissions. These changes are discussed in the tables below.

### Before you get started:

***Have you considered submitting a payroll extract through HNFile?*** The Ministry of Health and HEABC have arranged with several payroll system vendors (Avanti Software, Blaeberry Solutions, Comvida, Eclipsys, GoldCare, ISM, Meditech, NOW Solutions, Ormed, Payworks, Quadrant HR, and in some instances ADP) to have applications or reports available to extract the HSCIS data required. Once the application or report is installed on your system, submission of HSCIS Payroll Summary data is as simple as pushing a button to generate the extract, then going to our HNFile site to submit the whole file in one go. Once the file has been validated and successfully loaded, your submission is complete! It's by far the simplest and easiest way to go. For more information, contact your payroll vendor representative.

***Have you received and installed your Digital Certificate?***

Access to the HSCIS Web Application site is secured and restricted. To use the site, you must have:

- a browser capable of 128-bit encrypted sessions (the Ministry of Health currently supports Chrome, Edge, Firefox and Internet Explorer version 11+);
- a digital certificate (a small electronic file which attaches itself to your browser) from the Ministry of Health, installed on the PC which will be used to complete the submission.

If you need a digital certificate, please contact the Ministry of Health HSCIS Support by e-mail: [HLTH.HscisSupport@gov.bc.ca](mailto:HLTH.HscisSupport@gov.bc.ca)

## Accessing the site:

1. To get to the site, open your browser and type <https://healthnetbc.hlth.gov.bc.ca/> in the Address field. The first time you access this site, we suggest that you add it as a bookmark to your list of favorite sites for easy access the next time that you log on.
2. After pressing the Enter button, you will be prompted to select a digital certificate to use when connecting. Select the HSCIS certificate (which may be the only one you have) and click 'OK'.
3. When presented with the Security Alert screen, click on 'Yes'.
4. You should then be presented with the logon screen of HealthNetBC.
5. Type in the **Username** and **Password** supplied to you at the same time you got your digital certificate. (Note: This is *not* the password you used to activate the digital certificate.)
6. After successfully logging into the application, you will be presented with the main menu screen for the HealthNetBC. The main options available from the HealthNetBC web site are listed along the top. The table below describes each of the options:

Option (link)	Description
<a href="#">Home</a>	Selecting this link will always return you to the Main Menu screen for HealthNetBC.
<a href="#">Services</a>	Selecting this link will take you to the screen to enter the HSCIS application.
<a href="#">Change Password</a>	If you wish to change the password associated with your logon username, select this link and follow the on-screen directions.
<a href="#">Help</a>	Displays help messages for common issues.
<a href="#">Contact Us</a>	Displays the contact details for the Ministry of Health HelpDesk.
<a href="#">Sign Out</a>	Select this link to sign off the HSCIS Web Application site.   <b>Please Note:</b> The site has timers built in which will automatically log you off after approximately 10 minutes of inactivity.

To access the HSCIS Web Application, select the “Services” tab, and click on the “HSCIS” button:

The HSCIS Home Page will be displayed with the following option tabs:

Tab	Submission Frequency
Payroll	This report is submitted semi-annually on June 30, and December 31 showing <i>accumulated totals</i> as you move through the year (more on this later.)
Org Info	<p>You can look at the information recorded by the Ministry and HEABC for your Corporate or Site location at any time.</p> <p>If changes are required e-mail Ministry of Health, HSCIS Support at <a href="mailto:HLTH.HscisSupport@gov.bc.ca">HLTH.HscisSupport@gov.bc.ca</a> with your Corporate Employer Number and Legal Name in the subject line (i.e. Corp #1234 Smith Ltd.), and details in the body of the message.</p>
Funding Sources	This report must be submitted annually, (or more frequently, if there are updates or changes to your funding sources)

 Please note that failure to submit this information on a regular basis could affect funding and collective bargaining provided on behalf of your facility from the Ministry of Health and/or the Health Authorities.

The sections below provide more details on how to use each of the screen sets.

Tables describing the codes used within the screen sets are available from the HEABC web site: <http://www.heabc.bc.ca/PageFactory.aspx?PageID=83>

Questions regarding use of the HSCIS Data Entry Web Application should be e-mailed to Ministry of Health, HSCIS Support at [HLTH.HscisSupport@gov.bc.ca](mailto:HLTH.HscisSupport@gov.bc.ca) with your Corporate Employer Number and Legal Name in the subject line (i.e. Corp #1234 Smith Ltd.) and details in the body of the message.

## Using the HSCIS Web Application:

### 1. Org Info

- **Submission Frequency:** This should be reviewed on a regular basis to ensure your organization’s information is correct and current such as (name, address, and contacts). Updates can be e-mailed to Ministry of Health, HSCIS Support at [HLTH.HscisSupport@gov.bc.ca](mailto:HLTH.HscisSupport@gov.bc.ca) with your Corporate Employer Number and Legal Name in the subject line (i.e. Corp #1234 Smith Ltd.) and details in the body of the message.

In HSCIS, the term ‘Corporate’ refers to the legal, organizational body that is registered with the Companies Registry. A ‘Site’ refers to one or many facilities that may be run by the ‘Corporate’ body in the provision of services. (E.g. “Silvercare, Inc.” runs three care facilities named “Silvercare East”, “Silvercare West” and “Silvercare Central”. In HSCIS, Silvercare, Inc. is the ‘Corporate’ body, where most of our correspondence is sent, and Silvercare West, East and Central are ‘Sites’, run by the Corporation.)

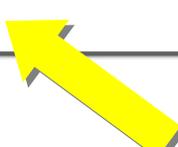

To access the Funding Sources Report, click on the “Funding Sources” tab of the Home Page.

To view the information for a Corporate Employer select it from the Corporate Employer drop down menu.

Once a Corporate Employer is selected, the corresponding Site Employers will be selectable from the Site Employer drop down menu.

#### Corporate Employer \*

#### Site Employer \*

If you are permitted to access multiple corporations and are not sure of the Corporate ID for a specific one, refer to HEABC’s listing on their web site at <https://www.heabc.bc.ca/public/hscis/pdf/MembersbyCorpIDSEN.pdf>. Or, this information is available by request by e-mailing the Ministry of Health HSCIS Support at [HLTH.HscisSupport@gov.bc.ca](mailto:HLTH.HscisSupport@gov.bc.ca). Be sure to include the Legal Name in the subject line (i.e. Smith Ltd.) and details in the body of the message.

Select each combination of Corporate Employer and Site Employer from the drop down menus to ensure all the contact information is correct.

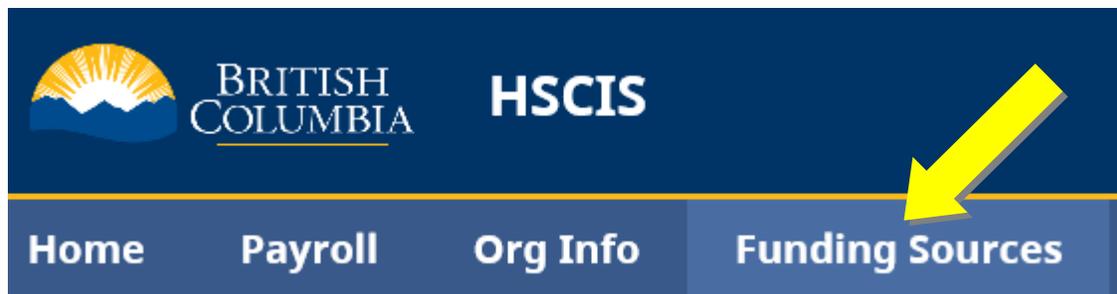

Selecting the **Home** button will return you to the HSCIS Home Page screen.

## 2. Funding Sources Report

**Submission Frequency:** Annually, by July 31<sup>st</sup>. If there are significant changes in the sources or amount of funding you receive during the year, you may ‘re-submit’ this report at any time.

In this report, you identify all monies you receive from *all sources* for the current fiscal year. Fiscal years for the Ministry run from April 1<sup>st</sup> to March 31<sup>st</sup>, and so are identified as 2006/2007, 2007/2008, etc. Each line (after Fiscal Year) represents a single source of funding.

To access the Funding Sources Report, click on the “Funding Sources” tab of the Home Page.

For the **Enter Funding Sources** screen, the fields are filled in as follows:

Field	Content
Corp Employer #	From the dropdown list, select the Corporation for which you are providing information. Note: Only entries from the dropdown list may be selected. The options available are based on the registration information provided.
Site Employer #	Once a Corp Employer # is selected, the Site Employer # dropdown list will be populated with all Sites available within that Corporation. Select the one you are reporting for from the list.  Note: In HSCIS, a Site Employer # that is the same as the Corp Employer # identifies the information related to the Corporation as a whole. Thus, if you wish to report Funding Sources for the entire Corporation (rather than site by site), select the Site Employer # that is equal to the Corp Employer #.
Fiscal Year	From the dropdown list, select the Ministry fiscal year for which you are reporting your funding sources (i.e. 2006/2007, 2007/2008, etc.).  After the Fiscal Year has been selected, the rest of the screen will be populated with the information from our database. You may make changes as required.  <b>Note:</b> The database stores this as a single ‘snapshot’ for each fiscal year. So, if there are changes, all entries (including ones unchanged, must be included on this screen.)

**Step 1:** Select the appropriate Corporate Employer Number (Corp Employer #), Site Employer Number, and Fiscal Year from the dropdown menus, and then click the “Create” button.

For the **Create Funding Source** screen, the fields are as follows:

Field	Content
Funding Source	Use the list of values in the drop-down to select the type of funding body. If the source is not shown in one of the selections, use ‘Miscellaneous funding’.
Projected Amount	Fill in the amount of money you are expecting during the fiscal year period. Enter dollar amounts only, no cents. <b>Please do not include dollar signs (\$), decimal points or commas.</b>

**Step 2:** Select each Funding Source for your organization from the drop-down menu and enter the Projected Amount of funding for the fiscal year. Click the “Create” button to save it to the report.

 **Please Note:** The Funding Sources Report is **saved** every time the **Create** button is selected in the Create Funding Source screen.

Repeat **Step 1** and **Step 2** listed above until all the Funding Sources and Projected Amounts for your organization are on the Funding Sources Report for the specific fiscal year.

Once the information on the Funding Sources Report is complete, you can press the **Home** button to return to the Main Menu or close the website and the report will be **saved**.

 **Please Note:** The Projected Amounts and Funding Sources can be edited and deleted at any time after they are created. The Funding Sources Report is meant to be updated as new information becomes available.

To **update or delete a line entry** in the Funding Sources Report, click on the specific line:

PROJECTED AMOUNT	FUNDING SOURCES
\$12,854.00	Health Authority Program
\$20,000.00	Health Authority Program

Next, an Update Funding Source window will appear, allowing you to select a different **Funding Source** and/or change the **Projected Amount**.

Selecting the **Update** button will update the line entry.

Selecting the **Delete** button will delete the line entry.

### 3. Payroll Summary Data Submission

**Submission Frequency:** Payroll Data Submissions must be made semi-annually within the calendar year, and each submission provides *accumulated totals* from the beginning of the year. For example:

Payroll Data Submission Date	Content
On or before July 31 <sup>st</sup>	January 1 <sup>st</sup> through June 30 <sup>th</sup>
On or before January 31 <sup>st</sup>	January 1 <sup>st</sup> through December 31 <sup>st</sup> (of previous year)

#### a) Enter Payroll Summary Screen

To access the HSCIS Payroll Report click on the **Payroll** tab at the top of the screen.

The Enter Payroll Summary page displays all payroll summaries and the status of each payroll summary:

- A completed and submitted payroll summary (HSCIS Payroll Report) will have a status of “**SUBMITTED**”.
- A payroll summary that is not yet completed and submitted will have a status of “**IN PROGRESS**”.

Enter Payroll Summary

For the **Create Payroll Summary** screen, the fields are filled in as follows:

<b>Field</b>	<b>Content</b>
Corporate Employer #	From the dropdown list, select the Corporation for which you are providing information. Once selected, the legal name of the Corporation will appear to the right. Note: Only entries from the dropdown list may be selected. The options available are based on the registration information provided.
Site Employer #	Once a Corporate ID is selected, the Site ID dropdown list will be populated with all Sites available within that Corporation. Select the one you are reporting for from the list.
Reporting From	<p>This is the start date for the reporting period. Its format is:                      YYYY = year (i.e. 2021)                      MM = 2 digit number for the month (Jan = 01, Dec = 12)                      DD = 2 digit day of the month.</p> <p>So, January 1, 2021 would be 20210101. The Reporting From date must always be with twenty two (22) days of January 1<sup>st</sup>. (ie: between December 10<sup>th</sup> and January 23<sup>rd</sup>) The only exception is when you are a new HSCIS employer, in which case you put the date in which you were requested to report for.</p>
Reporting To	<p>The end date for the period being reported, in the same format as the Reporting From date.</p> <p>This will be the last date within the reporting period, covered by your payroll. It must be within twenty two (22) days before or after the end of the period. (between December 9<sup>th</sup> and January 22<sup>nd</sup> for December 31<sup>st</sup> and between June 8<sup>th</sup> and July 22<sup>nd</sup> for June 30<sup>th</sup>.)</p> <p> <b>Note:</b> For the final submission, the Reporting To date should agree with the year end cut off for payroll deductions as dictated by the Canada Revenue Agency (CRA). It cannot be greater than December 31<sup>st</sup>.</p>

Once you have completed this information, select the **Validate** button.

## Create Employee Data

Employee Number \*

If the **Employee Number** entered has already been entered in a previous HSCIS Payroll Report for the Corp # and Site #, some of the data for the employee record will be automatically populated (such as SIN, Designated Group Code, Date of Birth, etc.).

**Please Note: Due to privacy concerns, the Employee SIN is not visible after it is entered.**

If the **Employee Number** is new for the Corp # and Site #, all the fields will be blank and able to have data entered.

 A separate copy of the **Employees** record must be completed for each employee who worked during the reporting period. The following table lists the information being requested and a brief description of the content required for each field.

Field	Content
Designated Group Code	Designated Group Code – Select the code from the dropdown list that describes the group to which the employee belongs, determined by union affiliation. If an employee is fulfilling multiple roles that would place them in different Designated Groups, a separate <b>Employees</b> screen should be completed for each designated group they belong to.
Union Code	Select the code from the dropdown list for the Union to which the employee belongs. Non-union employees should be reported with a Union Code of N1.
Date of Birth	This is the employee’s birth date, in the format YYYYMMDD where: YYYY is the year (e.g. 1956) MM is the month (01 for January, 11 for November) DD is the day.  The date supplied here must be after 19000101 (January 1, 1900) and cannot be equal to or after the current date)
Employee Number	A unique identifier for your employee. <b><u>Do not use employee names</u></b>
Employee SIN	Fill in the Employee’s Social Insurance Number, in the format 999999999. (Please note: this information will be encrypted once data is validated and prior to uploading to the database.)
Gender	Select (M) for male, (F) for female, (X) for Undeclared or (U) if Unknown or Undisclosed
Job Title	Fill in the title associated with the employee’s job if the classification code is ‘unlisted’.
Class Code	Select the job classification code from the dropdown list provided.
Increment	Select the increment level for the position occupied by the employee (it may also be known as a ‘step’) The allowed values are:  0 for single rate, R (Residents);  1 thru 4 for designated group: C (Community); 1 thru 6 for designated group: F (Facilities); 1 thru 7 for designated group: P (Paramedicals);  1 thru 9 for designated groups: N (Nurses), B (Bargaining Unit Equivalent), E (Executive/Management) and S (Single Agreements);  R for all red-circled employees.
Wage Rate	This is the hourly wage rate (in dollars and cents) paid to the employee at the end of the reporting period. Note: This number cannot be less than \$6.00 nor greater than \$100.00 unless the Designated Group Code is E (Executive).

Regular Paid Hours	<p>This is the total straight time (in hours) paid to the employee Year-to-Date. It includes all regular hours worked, plus all regular hours for time off (statutory holidays – worked and non-worked, vacation, sick days, and other paid leaves). It does <i>not</i> include hours paid while on overtime.</p> <p>This value must be greater than zero (0) and must be less than 3000.</p>
Job Status	Select the code from the dropdown list that describes the current status of the employee in this position.
Vacation Hours (YTD)	Enter the number of vacation hours used in the current year by this employee whether from the current entitlement, the previous bank, or any supplemental entitlements. These hours should also be included in Regular Paid Hours. Note that lump sum payouts of vacation should continue to be reported in Designated Group Summary under Retroactive and lump sum payout and not in this field.
Original Date of Hire	<p>This is the date, in YYYYMMDD format, on which the employee was hired into this position on a regular basis.</p> <p>Leave this blank if the Job Status is C (Casual). This date must be provided if the Job Status is F (Full Time) or P (Part Time).</p>
Seniority Start Date	This is the date, in YYYYMMDD format, at which the employee started accumulating ‘seniority’ within your organization. In most cases, this will be the same as the Original Date of Hire.
Termination Code	Select the code from the dropdown list that best describes the reason for Termination.
Termination Date	This is the date, in YYYYMMDD format, on which the employee was terminated from the organization.
Integrated Position	Indicate whether this is an integrated position. (eg.. the employee performs duties that cross two or more classification codes). If the position is an integrated position report “I”, if not, leave blank.
Layered-Over Position – Class Code	<p>Where an employee is acting in a Layered over position include the classification of the higher position. (Otherwise leave this field blank). If the position is “Layered –over” also note that the employee should be reported in at their correct classification code, but at the wage rate should be at the higher level.</p> <p>Note: In some cases there is no higher classification applicable to the position. In these cases, enter the employee’s normal classification code in the Layered Over Position field as well, but enter the higher applicable pay rate in the wage rate field.</p>

Complete all the required fields to reflect the current reporting period.

Next, scroll to the bottom of the window to **save** the employee data record by clicking the **Create** or **Create & Go To Next** button.

Once you have completed entering all the **Employees** records, review them in the **Employees** summary table to ensure the data is correct.

If you need to make updates to any employee records (update a data field or delete the record), click on the specific line in the **Employees** summary table.

EMPLOYEES

EMPLOYEE NUMBER	DESIGNATED GROUP	CLASSIFICATION
222	A - Ambulance Paramedics and Dispatchers	11603 - Em
1	E - Executive/Excluded	1000 - Top
12345	A - Ambulance Paramedics and Dispatchers	11614 - Em

The **Update Employee Data** window will appear, allowing you to update the fields. When you are finished, **save** the employee record by clicking the **Update** or **Update & Go to next** button.

You can also delete the specific employee record from this report by clicking the **Delete** button.

Once all the employee records have been entered, the **Designated Groups** summary records need to be completed. See 3. d) for further instructions.

***d) Designated Groups Summary***

The **Designated Groups Summary** represents the total amounts, paid to **all employees** within the Designated Group.

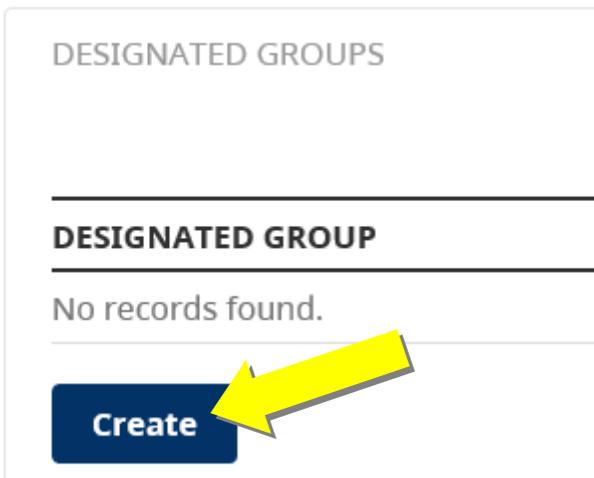

A separate **Designated Group Summary** is completed for each different Designated Group present in your organization.

For example, if you have 2 employees who belong to code group 'E' (Executives) and 10 employees who belong to code group 'N' (Nurses), then you would fill out two *Designated Group Summaries*. The first would represent the total of the amounts paid to the two 'E' employees; and the second would describe the total amounts paid to all of the ten 'N's.

The functionality to accept the industry averages has now been added to the system. Should you choose to have the Industry Averages applied to your file, the only actual amounts that you are required to enter on the **Designated Group Summary**, are **Sick Leave Banks (hrs)**, **Sick Leave \$ paid**, and **Sick Leave cash payouts**. These three amounts are required to conduct the annual sick and severance review.

To create a **Designated Group Summary**, click the **Create** button **Designated Groups** summary table.

The **Create Designated Group Data** window will appear, allowing the appropriate **Designated Group** to be selected by clicking the drop-down menu.
